## **INDEPENDENT AUDITOR'S REPORT**

**To the Board of Directors of  
Montecito Retirement Association:**

### **Opinion**

We have audited the accompanying continuing care reserves report of Montecito Retirement Association (the Association) as of December 31, 2023. In our opinion, the continuing care reserves report referred to above presents fairly, in all material respects, the liquid reserve requirements of Montecito Retirement Association as of December 31, 2023, in accordance with the financial report preparation provisions of California Health and Safety Code Section 1792.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Continuing Care Reserves Report section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Basis of Accounting**

The accompanying continuing care reserves report was prepared for the purpose of complying with California Health and Safety Code section 1792 and is not intended to be a complete presentation of the Association's assets, liabilities, revenues and expenses.

### **Responsibilities of Management for the Report**

Management is responsible for the preparation and fair presentation of the continuing care reserves report in accordance with the financial report preparation provisions of California Health and Safety Code Section 1792, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the continuing care reserves report that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibilities for the Audit of the Continuing Care Reserves Report**

Our objectives are to obtain reasonable assurance about whether the continuing care reserves report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high

level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the Continuing Care Reserves Report.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the continuing care reserves report, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the continuing care reserves report.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the continuing care reserves report.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other-Matter Paragraph - Restriction on Use**

Our report is intended solely for the information and use of the Board of Directors and management of Montecito Retirement Association and for filing with the California Department of Social Services and is not intended to be and should not be used by anyone other than these specified parties.

Skilled Living								
Special Care								

**Comments from Provider:**

Fees represent the average rates of several different apartment sizes as of 2/1/2023. One bedrooms are quoted at single occupancy. When a resident moves to a higher level of care, the resident continues to pay the rate of their current apartment, but no more than a one bedroom standard rate.

**Financial Ratio Formulas**

**Long-Term Debt to Total Assets Ratio**

$$\frac{\text{Long Term Debt, less Current portion}}{\text{Total Assets}}$$

**Operating Ratio**

$$\frac{\text{Total Operating Expenses - Depreciation Expense - Amortization Expense}}{\text{Total Operating Revenues - Amortization of Deferred Revenue}}$$

**Debt Service Coverage Ratio**

$$\frac{\text{Total Excess of Revenues Over Expenses + Interest, Depreciation, and Amortization Expenses + Amortization of Deferred Revenue + Net Proceeds from Entrance Fees}}{\text{Annual Debt Service}}$$

**Days Cash On Hand Ratio**

$$\frac{\text{Unrestricted Current Cash \& Investments + Unrestricted Non-Current Cash and Investments}}{(\text{Operating Expenses - Depreciation - Amortization})/365}$$

**NOTE:** These formulas are also used by the Continuing Care Accreditation Commission. For each formula, that organization also publishes annual median figures for certain continuing care retirement communities.
